## FROM THE PRINCIPAL

What a fabulous day we had for Sports Day last Friday. Congratulations to all students for their participation and to our age group winners on their achievements. I wish our athletics team well in the interschool carnival this week. Thank you to all parents and community members who supported the day in a number of roles. We could not run the day without this help. Many thanks to Jodie Stockman for keeping the scores as she has done for many years and to Mr Jettner and Miss Bruhn for the preparation work they have been doing since the start of term.

Prior to heading to Sports Day, I had the privilege of joining our Year 12 girls and Rachel Kielow at the International Women's Day breakfast at the Town Hall. This was a great opportunity for us to hear the stories of poet, Natalie Harkin, and psychologist and Burra Community School parent, Stephanie Schmidt, and learn from their history and experiences. Many thanks to Sharon Austin for inviting us to be a part of this event. I look forward to participating again next year.

We are fortunate at our school to be well supported by our pastoral care worker, Carlene Heinrich. This position is federally funded and supports our families in a number of ways. If you would like to meet with Carlene to chat about any issues with which you need support, please feel free to contact her at the school.

On Monday we hosted Mel Lesley who ran a parent session on Interoception. Interoception is the ability to read what our bodies are telling us about our physical and emotional needs. This session was well attended and we hope will benefit families. For further information about Interoception, please see Sandra Gresch who will share ideas and resources with you.

Parent Interviews are coming up on Monday and Tuesday of Week 10. Notes with how to book online will go home in the next week. If you cannot make any of the times available, please see individual teachers who will work with you to find suitable alternatives.

# ATHLETICS CARNIVAL DAY 2021

Take your marks, Get set, Go! In the blink of an eye the beginning of the 2021 Athletics Carnival was upon us. The students, most in their house colours, gathered in their house areas to watch the first races.... the 50m sprints for the JP's, followed by the 70m and 100m sprints. Students, teachers and parents then dispersed to the first of their field events.

Many students willed themselves to participate in every event, and despite the very warm weather, many achieved personal bests despite limited practice. A handful of students set new records, to add to the handful of records that were set in the events that were run in the days leading up to the carnival.

## New records in 2021

U13F	1500m	Ashley Edwards	STEELE	6:33.09
U16M	1500m	Reon James	STEELE	4:56.97
U13F	3000m	Ashley Edwards	STEELE	13:28.25
U15F	3000m	Krystal Rains	STEELE	14:32.00
U16M	3000m	Reon James	STEELE	11.07.44
U16M	Shotput	Mhavrick Harris-Light	JENNISON	12.00m
U13F	High Jump	Ashley Edwards	STEELE	1.38m
U13M	Triple Jump	Cash Cooper	JENNISON	8.49m
U13F	Triple Jump	Ashley Edwards	STEELE	8.22m

There are many people that contribute to the success of an athletics carnival. Special thanks to the parents who gave their time to officiate throughout the day, none more so than Boh Wall as starter, Gus Wenzel as announcer, and of course, Jodie Stockman who worked tirelessly as the recorder, with very little break until the final presentations.

Congratulations to all those students who participated in the carnival, to age group winners and to those in the Steele House who extended their winning streak at the Athletics Carnival to 8 years.

## YEAR 8 AQUATICS CAMP

In Week 6, our Year 8 students were accompanied by Kristel Smiley and Mark Inglis to Port Vincent and participated in this year's Aquatics camp. The Aquatics camp has been an integral part of the Year 8 Program for many years, and is part of their Physical Education at Burra Community School. The camp provides students with the opportunity to strengthen friendships and teamwork skills, and has proven to be a worthwhile experience for students. It was fantastic to see all students involved in the activities and supporting each other with each new skill.

**Day 1:** Students arrived safely and enjoyed a fun filled day Kayaking and knee boarding. This year we had the opportunity to stay in the new school accommodation at Port Vincent, where students put the new facilities through its paces.

**Day 2:** Students travelled down to Berry Bay and experienced Surfing and Body Boarding. We were also fortunate enough to swim close to a pod of Dolphins. Students also braved the cold and windy weather to enjoy some fishing after dinner.

**Day 3:** Students returned to the Port Vincent Sea side to learn how to sail and paddle board. The weather was perfect and students were definitely ready to come home for some much-needed rest.

# SAPSASA SUMMER HUB CARNIVAL

## Cricket

Four Year 6 students were selected to be part of the Burra Hub Cricket team on Tuesday 2nd March. They were playing with and against students from around the district in a round robin carnival where players would be selected to trial for the district team later in the year.

Anna, Kaidance, Darcie and Jaxson all represented the school well and can be proud of their efforts. In game one they played Balaklava and won by 5 runs. The second game of the day proved to be a lot harder against Clare 1. This team had some solid batters and although the Burra Hub players gave it their all, they were beaten by 34 runs.

## Tennis

For the first time in many years, the Burra Hub Tennis team was able to be filled by players from with the Burra Hub District. Eight of the team came from Burra and all achieved success on the day.

Everyone started off with slight trepidation at playing some quality players from around the district. Throughout the day though, it was pleasing to see the tennis improving and students winning some good games of tennis.

Congratulations to Audrey Wadlow who has been selected to trial for the District team in term 4. We wish her all the best!
