FROM THE PRINCIPAL

It is hard to believe that we are approaching the end of term already. Teachers have been extremely busy writing reports and preparing for camps and excursions that will happen before the end of term. Thank you to all who participated in our pupil free day on Tuesday. It was a great opportunity to delve more deeply into data and look at different ways to help students improve in writing and maths.

On Monday we will welcome the "Mates on a Mission" who will talk to students from Years 7-12 about resilience. This initiative has been funded for us by the Regional Council of Goyder and we are very grateful to them for supporting us in this way. We hope that students will learn from this valuable experience.

On Monday, our Year 6 & 7 girls will head to the Burra Oval for SAPSASA girls football and on Wednesday the Year 8 & 9 girls will play in the knockout netball competition. We hope the weather is good for these events and wish our students well in competing. Thank you to Miss Bruhn and Mrs Hadley for co-ordinating these events.

Last week we had three students head to Oakbank for the Cross Country State Championship. Congratulations to Ashley Edwards, Jaxson James and Lily Hancock who ran very well at this event. We are very thankful to Louise Edwards and Georgie Hancock for accompanying the students.

In Week 10, we have students from Years 10 and 11 heading to Adelaide for their careers camp and Year 9 students travelling to Mambray Creek for their camp. Exciting things have been planned for both of these events and we hope that they are enjoyed. The efforts of Mr Liebelt, Mr Jettner, Mrs Hadley, Mr Millward, Mrs Duke and Miss Smiley have been phenomenal in bringing these camps together. Thanks to all for this work.

Enjoy the rest of the term

FROM THE WELLBEING COORDINATOR

On behalf of the National Breast Cancer Foundation and Senior SRC, I would like to send a massive thank you the Burra Community School community for donations of sweet pink treats last Friday. A mountain load of food was available for students to purchase during recess and lunch times. \$487.00 was raised through sales and cash donations. Thanks must also go to Senior SRC students, staff, and Lily Hancock who gave up break times to serve the never-ending line of customers.

During Semester 2, our high school students will be participating in informative presentations around mental health and resilience building. This will be delivered by Headspace and Mates on a Mission. Headspace provide a mental health/mental literacy program to increase student's awareness, knowledge and skills in mental health. Mates on a Mission's aim is to build connections with rural communities, provide mental health support services and deliver resilience programs for students.

Just for the girls, we have also secured a presentation from PPET who will discuss period & pelvic pain and endometriosis.

SAPSASA FOOTBALL

After trialling, we made it to the SAPSASA Football State Carnival. We went down to Barratt Reserve at West Beach on the 31st of May and came back on the 2nd of June. Over the three days we played 9 games altogether. The teams we played included Port Pirie, Gawler, Port Augusta, Barossa and many more.

We won 4 games, lost 4 games and drew with Gawler. The best part was beating Port Pirie by 67 points (the score was 68 to 1!). But the best part of all was playing football for the Mid North Football Team. As a recovery, our whole team had to go into the freezing cold ocean 3 times for 5 minutes each time!

While we were down there we stayed at the West Beach Caravan Park. We had dinner as a team, had a spa, went on the Jumping Pillow, swam in the heated pool with a slide, went for a walk on the beach and even had delicious muffins to celebrate Jaxson's birthday.

We had a fantastic time, it was a great experience!

SAPSASA NETBALL

On Monday the 31st of May we made our way down to Priceline Stadium in Adelaide to participate in nine games of SAPSASA State Netball. We were all excited to play our first game. In our team, we had many talented players and we all worked well together on the court which resulted in a win!

Later we played two more games. Unfortunately, we lost the other two games. Later we headed to where we were staying to get ready for a dinner at the Watermark Hotel with the Mid North footballers and netballers.

On Day 2 we played 4 more games, however we only won 1 of those games which was on one of the inside courts. Emmylou played Goal Defence, Centre, Goal Keeper and a bit of Wing Defence, but her favourite position to play was Goal Defence. Anna played Centre, Goal Attack, Goal Shooter and Wing Attack, and her favourite position was Goal Attack.

Overall, we won 2 out of 9 games. One of the best parts of the carnival was getting to play on the Thunderbirds court and making new friends.
