Respect
Honesty
Responsibility

FROM THE PRINCIPAL

Many thanks to students, families and staff for working so flexibly over these first two weeks of term. It has been an unsettling time but people have adapted well to the conditions and we are glad to have everybody back at school.

Congratulations for participating so positively in home learning, accessing this through some new technologies and then returning to school and wearing masks. Thank you too, for your understanding with restrictions around entering classrooms.

Moving forward we will make continuous adjustments to ensure we comply with evolving rules and situations.

- Governing Council has been postponed for a week in the hope that we can hold a face-to-face, mask free meeting. If this is not possible then an online option will be implemented.
- Senior girls netball has been cancelled following an initial postponement due to bad weather.
- Other sports scheduled for Weeks 1-3 will be rescheduled for later in the term.
- Events beyond Week 3 will be considered depending on the situation and restrictions in place at the time.

In the second half of the term, Burra will be hosting the SAPSASA Athletics Carnival. As a whole-school fundraiser, we will be catering for this event and are seeking volunteers to help. If you are able to help in any way, either with the carnival or with the catering, please contact Laura Hadley or Kelly Bavistock at the school. Any help would be greatly appreciated.

At the end of last term we farewelled Jo Van Gasteren as our canteen manager. We have been very lucky to have had Jo working in our school. We wish her well for the future and look forward to seeing her as a parent. Congratulations to Kira Tuttle who has taken up the position, and thank you to all our canteen staff and volunteers who enable us to have such a fabulous canteen.

Happy special birthday to our fabulous teacher/librarian, Bev Low. Bev celebrated on Wednesday and we hope she had a great day.

Have a great term. Please remember, if you do need to come into the school, to use our QR codes and wear a mask. If you have cold or flu-like symptoms, please stay home from school and get tested.
