

BCS Sports Day

On Wednesday 13th of April, the Burra Community School Sports Day was held at the Burra School Oval. It was a fantastic day for all involved; full of competition, fun and sportsmanship. It was wonderful to see the high level of student participation, and the family support and staff commitment ensured a smooth and successful carnival.

A new timing system "SprintTimer", implemented by Mr Michael Liebelt, allowed the running events to remain on time, while ensuring greater accuracy with timing. House spirit was high with students dressing up in their House colours and cheering their teammates on throughout the day. It was a close competition between first and second with STEELE winning by only 31 points!! Steele have won the carnival for the last 9 years.
