Dear parent/carer,

The Department for Education coordinates an annual survey to better understand the things we're doing well, where we can improve, and what's important to you as a parent.

The information we collect from this survey is driving change for the department.

In the week beginning Monday 1 August you will receive an email or SMS from the Parent Survey Team with a unique link to participate in the survey.

I highly encourage you to complete the survey, which takes less than 10 minutes.

Your feedback will be used locally in our school improvement planning and more broadly to inform other key initiatives to improve education in South Australia.

Your answers will not identify you or your child. Only collated feedback will be provided to our school.

If you did not receive an email or SMS with your unique survey link, contact education.ParentSurvey@sa.gov.au and include our school's name in your email.

For more information visit the [Department for Education website](#).

Kind regards,

Alicia Hoddle
