WHAT'S NEW?

Thank you to the families who completed the poll last year. The outcome was successful, majority of parents support the governing council's proposal that the materials and services charge be compulsory then all parents, caregivers and independent students (excluding approved School Card holders) are liable for this charge. The School Card scheme offers financial assistance with school fees (watermarked materials and services charges and subject fees) for students attending government schools in that year. Forms are available from our Finance Office or online at <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme>

Please return all completed applications to the school as soon as possible before the end of Term 2 to avoid future Debt Collection.

If you have difficulty with payment, we are happy to accept a signed '**Commitment to Pay**' by instalments, ensuring **payment is completed by 1st December 2023**.

If you would like to create a Direct Debit from the account of your choice, this can be done by contacting your bank or set up using your internet banking.

Please contact Megan Rayson at the school for assistance.
