2024 General Consent Form

Please complete both sides of both forms

Schools often need to seek parent / caregiver permission to cover a wide range of activities and situations. This form will serve as your child's permissions throughout their schooling at BCS. We hope that by placing most of the potential situations on one sheet it will save time and paper.

Please read, sign, date and return to the Front Office as soon as possible to support your child's teacher.

Please sign and date each one that you give permission for. Cross through any that you do not give permission for.
